

# Dyna Bright Bumper Rack

Two Stainless Steel models to choose from, Large and Small. These are universal, pick the mounting kit for your truck model

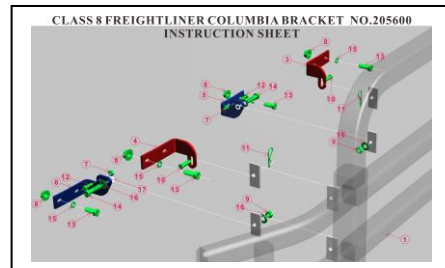

- Made from Polished 304 Stainless Steel, will keep it's shine with normal washing
- All mount kits are hinged for easy access to your under hood needs
- Easy to mount, two different styles depending on your truck. Style 1 – a simple hinge system that utilizes the bumper bolt holes. Style 2 – uses the tow hook holes for the mount and hinge. New tow hooks are welded on the bottom of the brackets so you do not lose your tow hooks.

## MOUNTING KITS
