

- ▲ KOMPOS-IT is a multi-purpose poly storage box comprised of integrated modular components.
- ▲ There are six basic elements that you easily and quickly assemble by means of a simple interlocking snap together design.
- ▲ Two sizes to choose from each providing high volume storage capacity.
- ▲ KOMPOS-IT is a highly modular design with multiple internal options available so you can configure the system to meet your specific storage requirements.
- ▲ The use of KOMPOS-IT mounting kits is required to ensure optimum product performance.
- ▲ The system is equipped with locking latch and dust covers.
