

Legendary Toughness
for Your Light Truck

WELCOME TO MERRITT

Merritt Aluminum Products Company is North America's leading manufacturer of aluminum accessories serving the heavy duty and light truck transportation industry. As a family-owned company with over 70 years of manufacturing experience, Merritt takes pride in producing and distributing highly desired and premium products that keep our drivers moving. We develop strong partnerships with our North American distribution partners through our excellent services, best-in-class lead times, in-house sales and customer service team, on-site engineering, and our own warehouse distribution channel.

Built into each Merritt product is legendary toughness - Merritt products are designed with durability for your working truck, yet premium enough for your show truck! Merritt Aluminum Products Company strives to be the easiest manufacturing company in the industry for you to work with. We are highly focused on continuous improvement and customer service.

Our core purpose is to build a great company, with great people, and great results while helping those we serve succeed through high quality, high performance products and services. Our people and values make the difference through INTEGRITY, TRUST, EXCELLENCE, RESPECT, and TEAMWORK.

We are excited to build a partnership with you and help you grow your operation. Please contact us with any questions or comments, and THANK YOU for being interested in Merritt Aluminum Products.

CROSSBODY TOOL BOXES

Easy to Use – Long Lasting Durability

Designed and built in Colorado, USA, these high-performance storage boxes are available in both single and double lids, with the option of a smooth or diamond plate aluminum finish. Easy to open and close from the ground, these boxes have a 90° lid configuration which allows full access to storage with gas shocks to help lift the lid. The shocks are bolted into the extruded internal track system allowing for durability over time.

- Distinctive features and style
- Never before seen in the industry
- Commercial grade aluminum
- 45° faceted corners for sleek appearance & strength
- Tool trays available - see accessories on page 19
- Extruded aluminum door frame for unmatched security
- Powder-coated finish for long life and durability
- Mounting hardware included

UTILITY CHEST BOXES

Satin Black

*Patent Pending

Mounts Inside Your Truck Bed

Merritt has designed this utility chest box for in-bed storage. It can be bolted to a truck bed or tied down using flush D-Ring mounts. They are manufactured for commercial use, providing legendary durability and functionality. Every Chest Box is built from commercial grade materials and the highest quality hardware providing years of trouble-free operation.

- Tamper-resistant locks with high-quality latch hardware
- Highest level of strength, durability, and functionality
- Extruded frame provides strong attachment point for the latch and gas shocks
- Lid and body extrusions pair up to protect and seal the surface
- Best weather resistant seal and security in the industry
- Cargo control D-Rings and removable tool tray available
- Smooth aluminum body & diamond plate lid

EQUIPMENT BED COVER

Fully Accessible For All Your Tool Storage Needs
With Protection From The Elements

Textured Black

- Slam shut bed cover locks and secures contents of the truck bed to keep large valuables that are too large for a side box or crossbody toolbox out of sight and protected from theft.
- Easily shipped and installed. Each component ships as its own unit so entire bed assembly can be delivered on standard size pallets to keep freight costs low.
- Comes in 8 different configurations so you can choose the correct set up for your truck.
- Extra deep and extra wide crossbody boxes available for use with locking bed cover.
- Telescoping side box legs available for use with bed drawer system.
- Alternate legs available, call your rep for options
- Retrofit capable. If you already have Merritt low side boxes installed the bed cover system can be added to make a complete bed system.
- Bed configurations available for most full-size truck bed sizes
- Coated with a heavy-duty powder coating to prevent oxidation.
- Made with thicker industrial grade aluminum for reduced weight.

HEADACHE RACKS*

Easy to Mount – Fits All Full-Size Trucks

Merritt's Headache Racks are designed for function and durability while providing a distinctive look. Each headache rack has a double channel designed into the frame to support multiple lighting and load securing accessories. The channel also serves to hide and protect a wiring harness.

Built from commercial grade aluminum for strength and durability
Features a lightweight extruded frame for maximum visibility
Easy mounting and flexibility for multiple accessories
Rear channeling hides & protects wiring harness for light options
4 Mounting bolts included
Bolt on feet for improved strength & ships in a flat box
Offered in 6 standard colors
Pair with your Merritt Crossbody or Gull Wing Box

*Patent Pending

No-Drill Mounting Kit

PRODUCT DESCRIPTION	PART NO.	WT.
Clamp Mounting Kit - pair	7250	2
Pocket Plate Mounting Kit - pair	7251	2

NOTE: No-Drill mounting options:
 7251 can be used alone if a crossbody box is also being installed.
 7250 & 7251 should both be used if no crossbody is being installed.

WARNING:

Headache Racks & Utility Racks are not safety devices. If you do not have the proper equipment or skill to install the Headache Rack or Utility Rack, take your vehicle to an authorized dealer. Weight carried on a Headache Rack or Utility Rack will reduce the stability of your vehicle and increase the vehicle's probability to overturn. To determine the weight that can be carried on your Headache Rack safely, or without damaging the bed walls, consult your vehicle manufacturer.

NOTE: If your truck is older than 2017, refer to the actual cab measurements when ordering. Headache Racks do not work with RAM Box.

* Bolt-on feet are steel and will be powder coated with Gloss Aluminum.

WARNING:

Headache Racks & Utility Racks are not safety devices. If you do not have the proper equipment or skill to install the Headache Rack or Utility Rack, take your vehicle to an authorized dealer. Weight carried on a Headache Rack or Utility Rack will reduce the stability of your vehicle and increase the vehicle's probability to overturn. To determine the weight that can be carried on your Headache Rack safely, or without damaging the bed walls, consult your vehicle manufacturer.

NOTE: If your truck is older than 2017, refer to the actual cab measurements when ordering. Headache Racks do not work with RAM Box.

* Bolt-on feet are steel and will be powder coated with Gloss Aluminum.

TRANSFER TANKS

*Patent Pending

Merritt Transfer Tanks

Quality transfer tanks are more than just a luxury. Having an extra supply of diesel fuel with you means your equipment will not run dry. Every Merritt high performance transfer tank is pressure tested to give you peace of mind.

- Reliable 90-gallon, L-shaped Diesel tank
- Made with TRUE 11-gauge steel for protection
- Fits between wheel-wells in full-size beds
- Comes with rubber insulators
- Fits with all Merritt Crossbody boxes
- Every tank pressure tested against leaks
- Reinforced filler/pump ports inside and out
- Stays balanced with baffles inside
- Lockable fill cap (padlock not included)
- Durable, Powder Coated finish
- Available in satin black or white
- Our design has been verified and full destructive testing done by an independent 3rd party lab
- 5-year Warranty
